To Whom It May Concern:

I am a licensed acupuncturist in the state of Maryland and have been in private practice for ten years.

In addition to practicing acupuncture, I also use the Neuromodulation Technique (NMT) as taught by Dr. Feinberg in his NMT seminars through the use of the NMT seminar manual. I find that this system works as disclosed in the seminars.

The application of the NMT pathways has been very useful in relief of symptoms for my clients.

Sincerely,

Judith S. Rothstein
